

## Bilborough College

### College Bus timetable

# 2011/12

**All Students must be in possession of a valid bus pass to use these services.**

The cost of a bus pass for the academic year 2011/12 is £520, if paid by monthly direct debit. If you choose to pay the full amount upfront you will receive a £50 discount (£470).

This entitles the student to use the bus every term day, morning and evening.

The true cost of a college bus pass is approximately £710, therefore the college subsidises each pass by around £190.

All passes are for a full academic year, and no refunds can be offered should a student change their mode of transport, however if a student wishes to use the bus for a one off journey, a single journey ticket can be purchased from Student Support for £2.50.

We endeavour to ensure that buses run to the stated time, but occasionally there are circumstances beyond our control (traffic/weather conditions etc) that may affect the scheduled times. The college reserves the right to alter or amend any route should it become necessary.
