Governor Profile

KONRAD KARENOWSKI

Vice-Chair of Employment, Policy & Finance Committee

After the sale of his company which he ran for more than 26 years, Konrad has now slowed down and describes himself as "semi-retired". Amongst other current activities, Konrad sits on the Board as Executive Financial Director of an Oxford University Technology spin out company, dividing his time between Nottingham and Oxford.

Married with two children, a dog and a parrot, Konrad is a country boy at heart, happiest out of doors, the more remote the better. One of his most enduring passions is his motorbike.
