

Dear Parent/Guardian,

IntoUniversity is an educational charity that has recently been set up at The Hope Centre in Broxtowe. We offer a range of educational services which includes Academic Support. This is a **free** service, where your son/daughter can complete their homework, coursework, revision and UCAS applications with the support of trained tutors. As well as this, students can access revision guides and laptops to aid their learning.

Academic Support runs on Monday and Thursday each week (during term time) for Secondary pupils.

In 2012, we are open for Academic Support from Monday 9<sup>th</sup> January. We look forward to seeing you there!

Best wishes,  
**Simon Collins**  
Centre Leader

## IntoUniversity

Open every Monday and  
Thursday during term time!

**Come to Secondary Academic Support to:**

- Get **FREE** help and support with your homework and coursework
