

**To all students and staff**

We have received several complaints from local residents and other drivers who use College Way about people parking at the top of the road close to the island on Bilborough Road.

We have also been informed by the Police and Nottingham City Council Parking Services that those vehicles parked within 10 meters of the island are breaking the law under the Highway Code rule 243.

They have advised us that they will be doing spot checks at the island and any vehicles found within 10 metres of the island will receive a parking ticket and appropriate fine.

I was keen to let you know about this in advance in the hope that we can avoid any member of the college community receiving a fine whilst at the same time making sure that the area around the island remains safe for motorists and pedestrians.

Regards,

Chris
